Public Meeting to Discuss the State of Air Service Development at Abilene
Regional Airport
Wednesday, November 7, 2018
City Hall, 555 Walnut Street, Council Chambers, Abilene, Texas
10:00 a.m.

Abilene Regional Airport will host a public event with Airport Consultant Martin Kammerman with UBMi Inc. Mr. Kammerman's airline expertise, primarily in airline Network Planning, gives him a broad understanding of airline scheduling, route planning, finance, pricing, revenue management, operations, and even customer service. The goal of this meeting is to brief the public on the status of Abilene Regional Airport as it applies to air service development.

Mr. Kammerman will present the state of the airline industry as it pertains to air service. Mr. Kammerman will discuss what air service looks like nationally, regionally and to the city of Abilene. He will discuss candidly what Abilene's expectation should be for air service, the approach to gaining additional air service and what it takes to maintain new additional service. After his initial presentation, Mr. Kammerman will conclude with a Question and Answer session, allowing the attending public to receive further details that may have not been covered during the first part of the presentation.

Certification

I hereby certify the above Amended notice of a possible quorum was posted on the Bulletin Board at the City Hall of the City of Abilene, Texas on the 31st day of October, 2018 at 1:30 p.m.
