

## MEMO

**To: Builders and Plumbing Contractors**  
**Re: T&P and Pan drain lines under foundations**

**11/21/2018**

To whom it may concern,

Beginning 12/03/2018 T&P relief valve and pan drain lines for water heaters shall not be allowed under a foundation. Relief valve requirements for the discharge pipe shall adhere to Section P2803.6.1 of the International Residential Code and Section 504.6 of the International Plumbing Code.

We appreciate the role you play in protecting the health and life safety of our community.

If you should have any questions or concerns regarding this matter, please feel free to give us a call at 325-676-6232.

Sincerely,

A handwritten signature in black ink that reads "Timothy A. Littlejohn".
