ABILENE AREA FIRE CONTROL CONFERENCE

TRAINING PREREQUISITE CONFIRMATION

Prerequisite for non-gas fire training center building:

- **Participants must have successfully completed at least 70 hours of introductory fire training or training that is equivalent to the subject area covered.**
- Those registering for class in the AFD non-gas fire training center building must meet the above prerequisite.
- If the participant cannot provide a NFPA1403, SFFMA Introductory or TCFP Basic card, the participant's signature and the Chief or Training Officer's signature are required for confirmation.

PARTICIPANT:

I, the undersigned, verify that I have successfully completed the required prerequisite as outlined above.

***Please Print Name Clearly*:**	First	Middle	Last

Signature	Date

DEPARTMENT CHIEF OR TRAINING OFFICER:

I, the undersigned, as Chief or Training Officer of the represented fire department, company or organization, verify that the above named individual has successfully completed the required prerequisite as outlined above.
