Cleaning Apparatus

We want to first apologize for the late notice but the Abilene Fire Department just confirmed with the professional cleaning service a start time for May 1st. We would like to invite the media to Station 6, 1482 South Danville, at 8:30 a.m. on May 1st, 2020 to witness the sterilization of Engine 6 and Ladder 6. This will give the public an in-depth view of how we are cleaning equipment, stations and apparatus to help fight the spread of COVID-19.
