Wildland Fire: 2900 Old Anson Road

On December 6 2020 at approximately 4 p.m., the Abilene Fire Department responded to a wildland fire behind the 2900 Old Anson Road. Crews arrived to find a small outside rubbish and wildland fire. The fire was located inside a heavily wooded area which made it difficult to access. Fire crews extinguished the small fire which had spread to only a four foot by four foot area. Weather conditions were favorable in keeping the fire small even with dry vegetation in the area. The fire remains under investigation at this time.
