

MONSTERS

ART

SCRAP MONSTER

Set out paper, egg, cartons, craft sticks, masking tape, and other art materials. Have children create monsters.

SPOOKY TREATS

Material: black permanent marker, tacky glue, construction paper, wiggle eyes, pony beads, pudding snacks in colored containers. Use purple for bat, orange for pumpkin, and green for Frankenstein. A few decorative touches will turn your pudding snacks into not-too-spooky monsters.

DUSTER MONSTERS

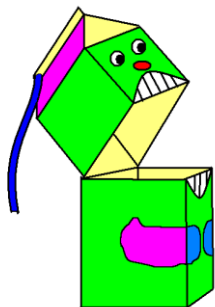

Use the acrylic dust mops or feather dusters available in discount stores. Glue on wiggle eyes, pom pom noses, and felt mouths.

FOOT GHOST

Have children step on white paper and trace around their shoes. Use crayon or marker to make a face or use black construction paper with white chalk.

MILK CARTON TRASH MONSTER

Tape a half-gallon milk carton closed and cover it with self-stick paper. Approximately one-third of the way down, cut through three sides of the carton with a craft knife, leaving one side uncut. In that side of the carton, make a hole near the top. Insert a piece of yarn through the hole and knot the end on the inside of the carton. Use permanent felt-tip markers to turn the milk carton into a "trash monster." Let the children use the trash monster as a mini garbage can.

I AM A MONSTER

1. With children, talk about monsters including their features, what they eat, their size, etc. Have them imagine what they would look like as a monster.
2. Have each child lie on paper on the floor and draw around child.
3. Have children turn silhouette into a monster by adding details such as claws, bones, big eyes, etc.

MONSTER PENCILS

Material: 3" Piece of a Feather Boa
Two 15mm Wiggle Eyes
One 1/2" Pom Pom
Low Temp Hot Glue Gun
Pencil
Tacky Glue

1. Wrap boa around top of pencil, securing it with glue.
2. Let children glue on eyes and pom pom nose with tacky glue

ENVELOPE GHOSTS

Materials: envelope, marker

1. Seal the envelope.
2. Draw a ghost lengthwise on the envelope. The ghost can just be a flat-bottomed oval with two circles for eyes.
3. Cut off the bottom edge of the envelope.
4. Put the ghost puppet on your hand and go scare somebody.

EGG MONSTERS

Materials: Styrofoam egg carton, pennies, tape, scraps of colored paper

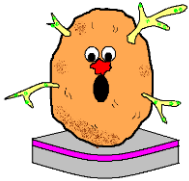

1. Cut two matching egg carton cups.
2. Tape 3 pennies to bottom of one cup.
3. Tape other cup on top of bottom cup.
4. Cut hair, eyes, arms, and other pieces from colored paper and tape on monster.

OTHER FUN STUFF

POTATO MONSTERS

Materials: Sprouting potato, metal jar lid, nail, scraps of tissue paper, glue, pair of wiggly eyes, watercolor paints.

Without breaking off sprouts, paint potatoes and sprouts in contrasting colors. Drive nail through jar lid and cover in tissue paper. Mount painted potatoes on nails. Glue on eyes and other materials to create monsters.

MONSTER SPRAY

For children who need extra help with the monster under the bed, make a bottle of Monster Spray. In small spray-pump mix water with just enough vanilla to make a pleasant smell. Add few drops of food coloring. Mix well. Children can use spray to ward off monsters. (it's guaranteed to repel the nastiest of bedtime monsters.)

REAL OR NOT

Use pictures of movie monsters and ferocious animals (like bears and alligators.) Have children tell if they are pretend or real.

BE A MONSTER

Let the kids be beastly! Make funny faces, growl, etc. Provide a mirror to let them see themselves. For extra fun, give each one a flashlight. Have them hold it under their chin make monster faces. If they are brave enough, turn the lights off for a monster show.

GAMES

MONSTER TOSS

Draw a Monster face on the front of a cardboard box (make the mouth open and big.) Cut out the mouth portion. Let the children try to toss beanbags into the monster mouth.

MONSTER TAG

Choose 1 child to be monster. Rest of children line up along wall. On signal, all children try to run to opposite wall without being touched by monster. If monster touches them, they turn into monsters and join in the chase. When all have been caught, choose new monster and go again.

SNACKS

WACKY MONSTER TACO

Fill soft taco with meat and fold in half. Cut long strip of cheddar cheese and make zigzags along on edge for teeth. Put inside taco. Add a tongue cut from lunchmeat and broccoli ears. Cut a cherry tomato in half for eyes and set them on top. Dot olive slices with mayonnaise and place in front of eyes for irises. For antennae, cut a V in the tops of two celery sticks and diagonal slices along each edge. Add a "fly" made from a raisin.

BEASTLY BREAD

milk
white bread
food coloring
NEW inexpensive paintbrushes
small plastic bowl

1. Divide 1/3 cup of milk among several small bowls
2. Add enough food coloring to turn milk a vibrant color.
3. Give each child a paintbrush to use to paint monster faces on bread with milk paint
4. When they have finished, toast the pieces of bread in a toaster oven. Toasting will highlight artwork.

MONSTER MUSH

Mix bits of chopped fruit and nuts into oatmeal for a messy-looking, yummy monster treat.

FINGERPLAYS

5 LITTLE MONSTERS

5 little monsters standing in a row
This little monster stubbed his little toe
This little monster said, "Oh, how sad"
This little monster laughed and was glad.
This little monster, so thoughtful and good
Ran for the doctor as fast as he could.

FIVE LITTLE MONSTERS

5 little monsters by the light of the moon
Stirring pudding with a wooden pudding spoon.
The 1st one says, "It mustn't be runny."
The 2nd one says, "That would make it taste funny."
The 3rd one says, "It mustn't be lumpy."
The 4th one says, "That would make me grumpy."
The 5th one smiles, hums a little tune,
And licks all the drippings from the wooden pudding spoon!

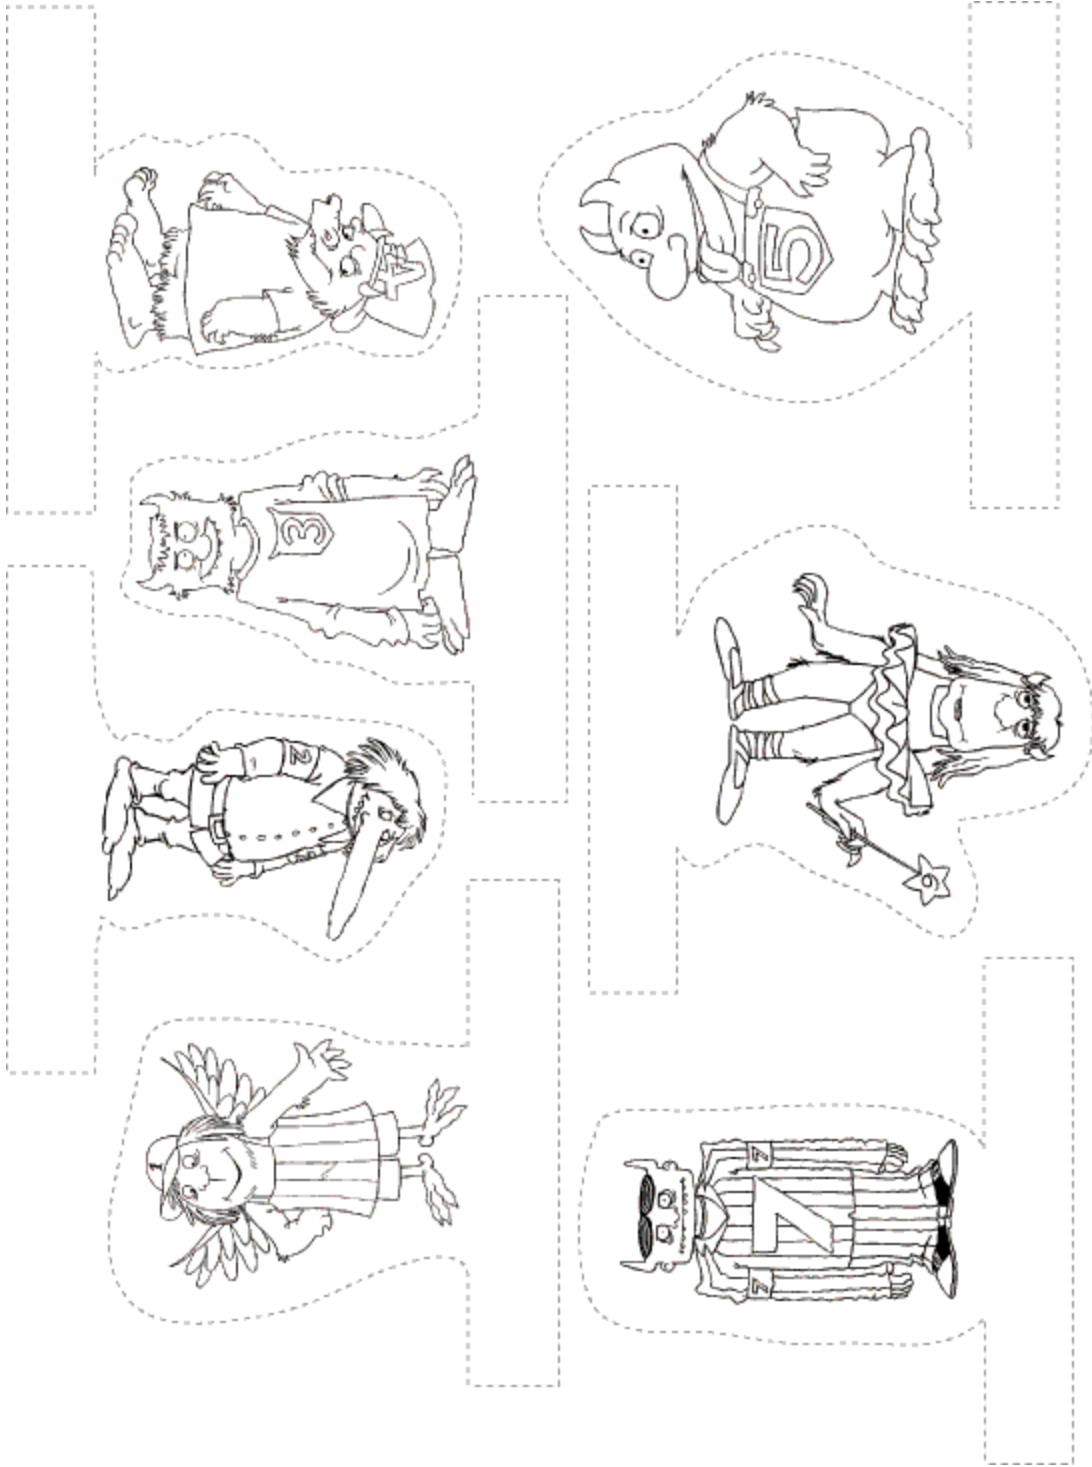

5 LITTLE MONSTERS SLEEPING IN MY BED

5 little monsters sleeping in my bed
1 crawled out from under my spread
I called to Mama and Mama said
"No more monsters sleeping in your bed"

continue until there are no little monsters and say
No little monsters sleeping in my bed
None crawling out from under my spread
I called to Mama and Mama said
"There are no more monsters, go to bed!"

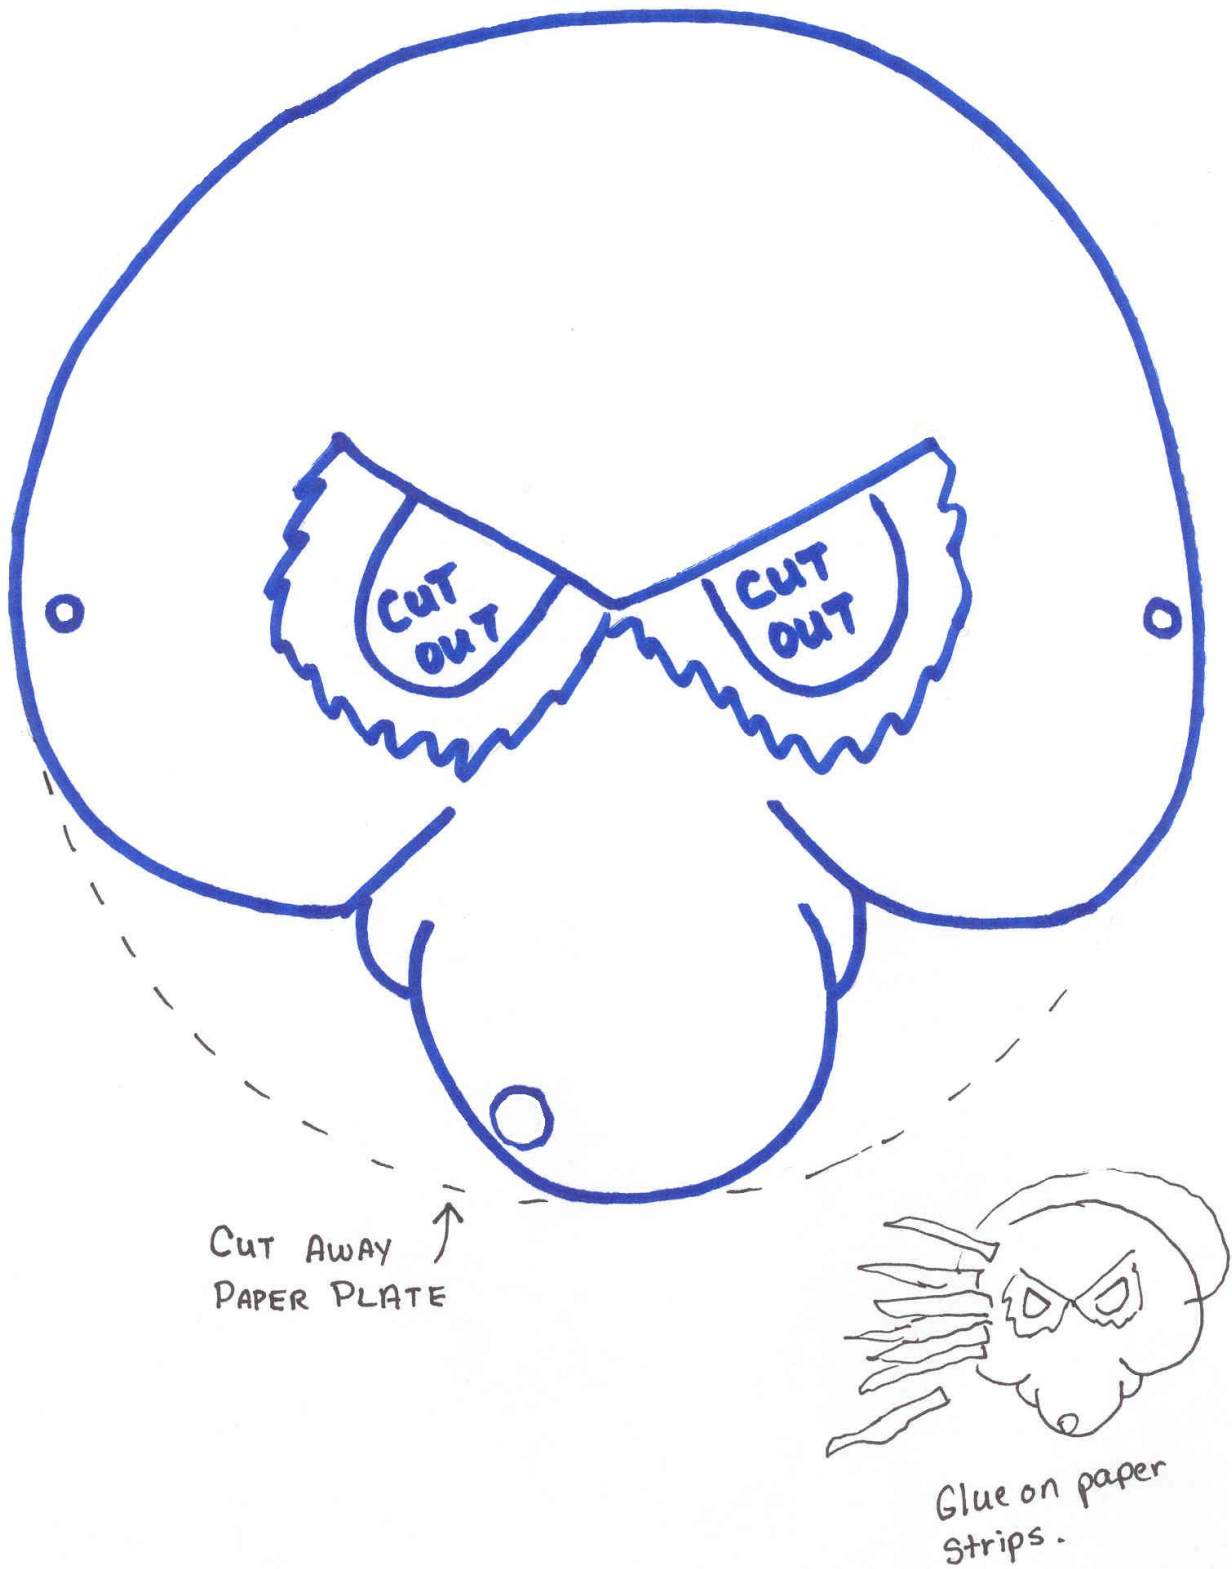

FIVE LITTLE MONSTERS SITTING ON THE FLOOR

Five little monsters sitting on the floor
The [red] one said, "Let's knock on someone's door."
The [green] one said, "Let's act a little scary."
The [white] one said, "Why are we so hairy?"
The [blue] one said, "I hear a funny sound."
The [pink] one said, "There's no one else around."
Then "WHOOSH" went the wind and "EEK!" someone said.
So five little monsters ran underneath the bed.

MONSTER MASK

Cut paper plate into monster mask. Add colored paper strips or yarn to decorate. Add string and adjust to fit head
