ART

BONE PRINTS

Purchase a box of large dog bone snacks. Set the bones, shallow bowls of paint, and colorful construction paper on a table. Allow the students to dip the bones into the paint and press them on their papers to make designs. Talk about why dogs enjoy the snacks and why the snacks are beneficial (source of vitamins, helps clean the teeth). You may also wish to explain that people often use these snacks as treats when they train dogs as well as other animals.

PUPPY PENCIL HOLDERS

Material: 4 pinch-style wooden clothespins
Wood glue
Felt
Googly eyes
Pom-pom
Markers
Pencil

1. To form the front end of the dog pinch open a clothespin and apply glue to the inner surface of the opened end. Then clamp the glued end onto a second clothespin, just behind the metal spring.
2. For the dog's tail end, glue and clamp together the last two clothespins so that one holds the other wide open. When the glue is dry, fit the opened end of the back half onto the lower end of the front half. Apply glue to bond the two sections.
3. From the felt, cut out floppy ears and circular paws. Then glue ears and paws, the googly eyes, and the pom-pom nose onto the dog.
4. Add spots or other distinguishing details with colored markers. Finally, pinch open the dog's mouth and insert a pencil, balancing its weight equally on both sides.

STUFFED DOG SHAPES

Cut pair of dog shapes from a variety of colors of paper. Allow each student to choose color. Allow them to color and add collars, dog jackets, etc. Staple or glue edges of dog shapes together leaving small opening. Stuff with wadded up newspapers--staple shut. Hang these from ceiling or use as wall display. Let students name their dog.

PAW PRINTS

Have the kids help you make paw stamps. You may make them by carving potatoes with spoons, molding clay into paw shapes, or cutting corrugated cardboard and gluing it to another piece of cardboard. Allow the students to dip their stamps into shallow bowls of tempera paint and press onto paper.

YARN DOG

Materials:

Colored rug yarn or thick 8 ply knitting wool

Paper

White Glue

Dog Photos or Pictures

Cardboard

What to Do: Trace a good, clear picture of a dog, the larger the better, onto the cardboard. Cut the yarn or wool into 1" or 2" strands. Use an egg carton to separate the colors & to make selecting and handling of the yarn easier. The child then glues the yarn strands onto the dog outline to make hair & a tail. Draw a mouth & eyes & define the ears & the tail.

3D DOGHOUSE

Make a three dimensional picture by making a dog house out of craft sticks, a dog from furry material, a cord leash, water bowl from wall paper, a real dog bone, etc.

DOG TAGS

Have the children choose dog names for themselves. Write the name on bone-shaped construction paper. Have children decorate their bones. Attach yarn and let them wear them.

DOG BONE DOG

Materials: Small Dog bone treat, Large dog bone treat, wiggly eyes, ribbon, black felt, brown felt, pink felt.

1. Cut out some ears from brown felt, a nose from black felt, and a tongue from pink felt.
2. Glue them onto the small dog bone treat.
3. Glue the small dog bone treat to the large dog bone treat as shown in the picture. Glue on a bow to finish.

DOG PUPPET

Use a paper cup. Make a hole large enough for a finger in the side of the cup. Lay the cup on its side with the hole on the bottom. Use construction paper scraps and felt-tip markers to add facial features to the cup.

DOG COLLARS

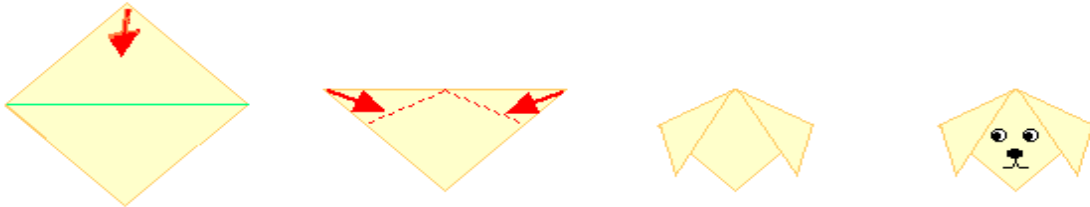

Use colored cord to braid a dog collar.

MY FAVORITE DOG

Have children draw pictures of their dog or a dog they would like to have.

ORIGAMI DOG

Fold a 4" by 4" square of paper diagonally to form a triangle. Fold tips of triangle down to form dog ears. Add eyes and nose with crayons.

SONG

BINGO

There was a farmer, had a dog
And Bingo was his name-o
B-I-N-G-O, B-I-N-G-O, B-I-N-G-O,
And Bingo was his name-o.
There was a farmer, had a dog
And Bingo was his name-o
(clap)-I-N-G-O, (clap)-I-N-G-O, (clap)-I-N-G-O
And Bingo was his name-o (repeat with one less letter per verse)

GAMES

DOGGIE, DOGGIE, WHERE'S YOUR BONE

Children sit in circle with hands closed in lap. A child selected as "doggie" leaves the room or sits in center of circle and covers eyes. A small block (the bone) is placed under chair. A child from circle is selected to tiptoe up, take bone and sit down in same place in circle with bone hidden underneath him. Then all say: "Doggie, Doggie, where's your bone? Hurry up and bring it home." The doggie uncovers eyes and has three guesses to find bone.

PIN THE BOW ON THE DOGGY

Blow up an image of your favorite dog. Make enough bows for each child and put their name on front. Blindfold and turn child three times before letting them go. Give a prize to the bow that comes the closest.
