SONGS

BIRD IN FLIGHT (to tune of "Over the River and Through the Woods")

Over the river and through the woods,
The mommy bird flies so free;
She's looking for food,
To serve to her brood,
Of babies, one, two, three.

Over the river and through the woods,
In search of worms and seeds;
No time to play on this busy day,
With so many mouths to feed.

5 BLACK AND SHINY CROWS (to tune of "Five Little Speckled Frogs")

5 black and shiny crows,
Sat on a garden hose,
Watching the water sprinkle down,
Caw, Caw!
1 jumped into the spray,
Where he could play all day
Now there are 4 black shiny crows... Repeat.

FEED THE BIRDS (to tune of "Row, Row, Row Your Boat")

Feed, feed, feed the birds
In the wintertime
When the days are dark and cold
Food is hard to find

Feed, feed, feed the birds
Till the spring has come
Scatter birdseed on the snow
Feeding birds is fun.

SWANS IN THE PARK (to tune of "Rock-a-bye Baby")

Swans glide across the pond in the park,
With feathers so white and beaks that are dark.
They spread out their wings and take to the air.
The swans fly away, but I don't know where.

LITTLE BIRD (to tune of “Up On The Housetop”)

Most of the birds have gone away
On this cold, dark winter's day
But here is one bird I can see
Looking for something to eat

Little bird, I'll feed you
Till the cold, winter's through
And all your friends come back to play
On some bright and warm spring day.
