On Wednesday, December 21, 2022 at approximately 18:41pm, crews with the Abilene Fire Department responded to the 1100 block of Musken Road in reference to a structure fire. On arrival, crews noted heavy smoke coming from the first and second floor of a multi-family residential apartment complex building. Entry was made into the first story apartment and the fire was quickly extinguished. Fire crews made entry to the other apartments around the incident apartment to ensure no fire had extended to the adjoining apartment rooms. No extension was noted and the fire was contained to the area of origin. The fire caused an estimated \$10,000 in damage. The fire was ruled accidental in nature secondary to unattended cooking.
