One Vehicle Crash Results in Fatality

ABILENE, TX – A 54 year old Abilene woman passed away at Hendrick Medical Center from injuries sustained in a single vehicle accident just after noon. Dispatch received a call at 12:28 p.m. of a vehicle which crashed at the intersection of Danville and Southwest Drive. The investigation and reports show the vehicle was traveling north on Danville when the car veered left and went over the curb and into the grass. The vehicle traveled through the grass a short distance before veering back into the roadway, crossing both lanes of traffic and striking a signal light. The impact knocked the signal light out of operation and caused parts of the vehicle to hit another vehicle.

The Fire Department responded and used the Jaws of Life to extricate the female. She was transported to Hendrick Medical Center for treatment of her injuries where she passed away a short time later. Her name is being withheld pending notification of next of kin. There is no cause determined and the investigation continues.

Respectfully,

Rick Tomlin
Public Information Coordinator
