FOR IMMEDIATE RELEASE

May 27, 2015

Driver injured when his truck goes through building

ABILENE TX- Police were called to the 3400 block of North 1st Street at 9:30 a.m. on May 27, to a report of a truck that had struck a building. Police arrived to find a truck inside of a beauty supply business on North First Street. When police arrived there was heavy smoke coming from the building prompting fire crews to prioritize putting the fire out. The driver of the truck that struck the building was found inside the business which was closed at the time of the incident. He is 35 year old Armondo Trevino. He was transported to the hospital with non-life-threatening injuries.

Reports indicate that the driver of the truck had entered the parking lot of the business from North First. He slowed for a moment before continuing through the parking lot, over a curb and then hitting the front of the business where his truck came to rest inside of the building. There were no other people in the building and no other passengers in the truck. Alcohol does not appear to be a factor in this incident. The driver is not cooperating with police. The investigation continues.

Respectfully,

Rick Tomlin
