Reported possible abduction found to be untrue

ABILENE TX- Reference the alleged abduction, the child was interviewed today by the Child Advocacy Center. The Department is pleased to report that the described incident did not occur. Because of the age of the child, motivations will not be discussed further. We are thankful that this crime did not occur, and we will continue to work with this family.

The Police Department wants citizens to know that it takes these reports seriously. While this incident was found to be untrue, we remind our community that they are the first line of defense against crime. We wish everyone a safe weekend.

Respectfully,

Rick Tomlin
