@abilenepd

ABILENE TX- On May 13, 2015, at approximately 8 pm police were dispatched to a suspicious activity on the 800 block of Big Water Trail. The calling party stated that his 7 year old son ran home and said a man had attempted to physically pick him up by his wrists and presumably take him to a nearby vehicle. The child had been playing outside and walked around the block. While near the intersection of Healing Waters and Many Waters the child says a man attempted to abduct him. The child says the man did not say anything to him but simply grabbed him by the wrists. The child said he kicked and screamed and broke loose from his grip and then ran home and told his father about the incident.

The child could not give any other information regarding the suspect or the vehicle, but police are asking anyone who may have information, or who was in the area and may have heard or seen anything, to contact police at 673-8331 or Crime Stoppers at (325) 676-TIPS (8377). Both WISD and AISD Administration have been advised of this matter. No similar reports have been received by the Police Department.
