Youth Action Council Summit Scheduled for February 25-26

ABILENE, Texas - The 17th Annual Youth Action Council Summit will be held at the Abilene Convention Center on February 25-26, 2017. This year's theme will focus on being strong and being the best you.

The 2017 Youth Advisory Council (YAC) Summit is a two-day statewide event hosted by the City of Abilene and sponsored by the Texas Municipal League beginning at 8:00 A.M. on Saturday, February 25 and concluding at 1:00 P.M. on Sunday, February 26. This is an opportunity for cities, schools, and community youth groups to share the experiences of their programs and the positive impact that they have had locally. The Summit is organized to promote a fun environment for youth and City leaders to learn from and work with each other. Adults and students will leave with a greater appreciation of their own programs and new ideas to move their group forward in the future.

Are you interested in making a difference in the lives of future leaders in Texas? The Youth Action Council is seeking presenters for this year's Summit. Speakers would present a 45 **minute educational session at this conference**. **Topics could include leaderships, financial accountability, dangers of social media, or create your own using your professional experiences and background.** For more information about YAC, visit <http://yacsummit.org/>.

If you are interested in presenting, please contact the City of Abilene Recreation Division at parksandrec@abilenetx.com or 325-734-5306.
